

*"If you can imagine it, Nadco will make it stick."*

**CP89**  
***(Autoclave Tape - Not For Medical Use)***

**Description:** A saturated crepe paper coated with a natural rubber resin adhesive system. CP89 is printed with diagonal lines that change color from white to black when proper levels of sterilization have been achieved

**Technical Data**

Color:	Natural Crepe
Adhesive:	Natural Rubber
Thickness:	6.5 mils
Adhesion:	35 oz. per inch
Tensile Strength:	20 lbs per inch
Elongation:	7%
US Gov. Spec:	UU-T-118, B AA-54589A

All properties are approximate and based on the average of a series of manufacturer tests. These tests are conducted in accordance with industry recommended and accepted test methods. A particular roll may vary from these averages. The values do not represent a guarantee by the manufacturer and it is recommended that each tape be evaluated by the user under actual end-use conditions prior to approval and purchase.
